Specialist

Pure Table Top is a specialist supplier of ceramics and glass, working closely with retailers and brands in the UK and worldwide. We guide and support our customers through the product lifecycle, sharing our market knowledge along the way.

Where

Our showroom is based in the heart of the Leicestershire countryside, amidst rolling fields but still easily accessible from Leicester and only 1 hour by train from London.

Quality

Taking pride in our quality and value for money, we work tirelessly with our factories and customers alike to design and manufacture products to the highest standards.

Nosse ceramics combine the sleek and the organic, their natural, soft colour pallet of pinks, greys and olives, a signature of the Nosse brand. The pieces feel humble yet stylish offering a real sense of timeless dinnerware, offering homely comfort. All pieces are designed to lend themselves wonderfully to a mix-and-match look. Designed and made in a well-established Portuguese factory, they have used pioneering eco-sustainable, recycled glazes to complement the collection.
